FROM THE DESK OF SUPERINTENDENT JOHN DENNEY...

Welcome to the 2018-2019 school year! We are so excited for the upcoming year and anticipate another great year for our students!

Last school year was a fantastic year for our school district! Not only did our students help to set the bar for academic achievement in the area, they dominated in the area of athletics. Our Comets not only won six Cascades Conference Championships and multiple district and regional championships, they also captured two State Championships. Yet again, we captured the Burdette Andrews All-Sport trophy which goes to the most successful program in our conference. To top the success our students had in competitions, we are even more proud of the multiple Academic All-State teams and individuals we had last year. Our students continue to do a great job of being all-around great performers!

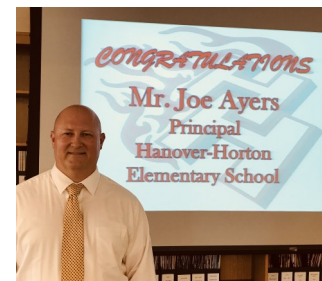

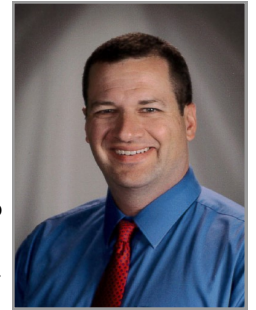

As we move into a new school year, there will be several new faces throughout the district. We had two teachers retire in the spring, Mrs. Deda DeCapo and Mr. Lloyd Hilger. With the two retirements, we lost a combined 56 years of teaching experience. Our custodial staff saw the retirement of John Smith as our daytime custodian for the HS/MS building and Steve Brodock retired from our maintenance department. We lost over 60 years of experience with these two. We wish all of our retirees a happy and healthy retirement!

Any time a teacher retires it can create a domino effect as teachers move around to fill the empty spots; this year was no different. Ms. Lee moved from her 2nd grade position to take over for Mrs. DeCapo with 6th grade and Mrs. Laura Twichell moved from 1st grade to fill the 2nd grade spot. We are happy to have Mrs. Megan Thurston joining our staff to take Mrs. Twichell's 1st grade classroom. At this point, we are still working to fill the position that Mr. Hilger had. However, our plan is to replace the STEM class with the combination of Art/Fine Arts which we have had in the past. We have some great candidates to consider for that position as well. We also hired Mr. Joe Webb in our maintenance department and Mrs. Tami

Johnston will be joining our custodial team.

We also had to work to find a new elementary principal this summer. After 21 years with our district, 11 as the principal, Mrs. Cindy Forgione decided that the timing was right for her to retire. She has done so much for the students and staff of our district over the years, that not only will she be missed, she will be very difficult to replace. As a district, we want to thank her for her service and wish her the absolute best in this next chapter in life.

At a special meeting on August 2nd, the Board of Education approved of hiring Mr. Joe Ayers as our new elementary principal. Mr. Ayers comes to us after spending his teaching career at Erie-Mason School District near Monroe. His background also includes service in the United States Marine Corps and the Ohio Army National Guard. He is looking forward to meeting our students, staff and community as he makes his transition to principal. Please stop in and introduce yourself to Mr. Ayers.

As we move into another school year, I would like to again take the opportunity to thank you for the incredible amount of support you continue to give to the students and staff of our district! We would not be able to do all that we do without you! As always, if you have any questions, please feel free to contact me.

Go Comets!

John

Healthy Changes in Our School Cafeterias

Dear Families,

Hanover-Horton School cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. School lunches will meet additional standards requiring:

- Age-appropriate calorie limits
- Larger servings of vegetables and fruits (students must take at least one serving of produce)
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Fat-free or 1% milk (flavored milk must be fat-free)
- More whole grains
- And less sodium

We're always working to offer Hanover-Horton School students healthier and tastier choices. We are focusing on serving healthy homemade entrees, locally grown foods and increased offerings of whole grains.

School meals are a great value and a huge convenience for busy families too! Below are the meal prices.

	Elementary School	Middle School	High School
Breakfast	\$1.85	\$1.85	\$1.85
Lunch	\$2.70	\$2.95	\$2.95
Milk	\$0.55	\$0.55	\$0.55

SendMoneyToSchool.com is a great tool to monitor your student's meal account activity, deposit funds online and view the account balance. If you would like to receive emails alerts when your student's account falls below the minimum balance, contact the Food Service Office to have this service set up.

Meal applications can be submitted prior to the beginning of school by stopping by any of the building offices or by submitting an application online at www.LunchApp.com. Applications can take up to 10 days for processing. For fastest approval, utilize our online portal at www.LunchApp.com.

We look forward to welcoming your children to the cafeteria this fall. To find out more about Hanover-Horton School's healthy school meals, contact Alan Breneman, Director of Food Services, at 517.990.3603.

Thank you!

LEARN. DREAM. LIVE. RUN.

Girls on the Run is a national transformational learning program for 8-13 year old girls which has been in existence since 1966. Coach Lisa Krejcik, an RTI teacher at the elementary, and her co-coach, Erin Beach, a fourth grade teacher, started this program for elementary girls last March. Girls on the Run teaches life skills through dynamic conversation-based lessons and running. For ten weeks, twice a week, third through fifth graders run and participate in developmental lessons in preparation for running a 5k race. For more information, call the elementary school office at 517-563-0103.

TRANSPORTATION PROCEDURES

If you have any questions regarding the transportation schedules, please call Mr. Logan Beckwith at 517-867-6409. Transportation staff members will be present at the elementary ABC Night on August 20th. This list of bus routes is intended to give you a general idea of when a bus will arrive. Students should be at their stop 15 minutes early for the first two weeks of school. Our goal is to transport our students in the safest, most efficient manner possible. We appreciate the help we receive from parents in keeping our children safe.

REMINDER: STUDENTS ARE ONLY PERMITTED TO RIDE THEIR ASSIGNED BUS!!!
