FROM THE DESK OF SUPERINTENDENT JOHN DENNEY...

The 2019-2020 school year is upon us! We are so excited to welcome all of our new students and look forward to a great year!

With the support of our community, we were able to pass a new bond in May. While we had hoped that some of the projects could have been started this summer, it was just not feasible and would not have been cost-effective. We are currently working with our architects to complete the design phase of our projects. After the plans are finished, we will need to wait for them to go through a review in Lansing before we can proceed. Most likely, everything will go out for bid during the winter and construction should begin in the spring.

This summer has been very challenging for many individuals, the community, and the District. As the investigation into one of our teachers continues, we appreciate your continued patience as it comes to an end. Depending on multiple variables, the investigation could be completed by mid-August. However, there were no time constraints placed on the investigator to allow her the freedom to run a thorough investigation. Once the process is finished and we receive the final report, details will be reviewed and the next steps will be decided. We will continue to share information with you as this process comes to a close.

We will have some new faces walking the hallways this year; a few teachers will be in new roles, and we have hired four teachers this summer. Last spring saw the retirement of Mrs. Marcia Shevy. Then, during the summer, Mrs. Jennifer French decided to pursue other opportunities. We will dearly miss both of them. Along with losing two familiar faces, we have added four new teachers and saw one teacher change buildings. Mrs. Kristi Swihart moved from 5th grade to the middle school and will be teaching math. Mrs. Kelli Arbuckle will be teaching a new 1st/2nd grade split classroom which was added to reduce class sizes for those grades. We are also excited to welcome our new teachers! Ms. Kayla Cotter will be teaching high school math, Mrs. Linzey (Yeaster) Cytlak will be teaching Young 5's, Mrs. Melissa

Bulgrien will be teaching 1st grade, and Ms. Emily Schock will be teaching 5th grade. We are so excited to see all of the great things these teachers will be able to bring to our district!

As we move into another school year, I would like to again take the opportunity to thank you for the incredible amount of support you continue to give to the students and staff of our district! We would not be able to do all that we do without you! As always, if you have any questions, please feel free to contact me.

Go Comets!

John

SCHOOL OF CHOICE INFO

At this time, our elementary school has no openings for school of choice students for Young 5's, Kindergarten, or 2nd grade. There are limited openings for 1st and 3rd grade. We do have openings for 4th & 5th grade. The middle school (grades 6-8) is closed at this time for school of choice students. High school (grades 9-12) has limited openings based on student needs. All buildings will put students on a waiting list. School of choice applications will be accepted until August 30, 2019. Please call the school office for an application.

[Healthy Changes in Our School Cafeterias](#)

Dear Families,

Hanover-Horton School cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. School lunches will meet additional standards requiring:

- Age-appropriate calorie limits
- Larger servings of vegetables and fruits (students must take at least one serving of produce)
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Fat-free or 1% milk (flavored milk must be fat-free)
- More whole grains
- And less sodium

We're always working to offer Hanover-Horton School students healthier and tastier choices. We are focusing on serving healthy homemade entrees, locally grown foods and increased offerings of whole grains.

School meals are a great value and a huge convenience for busy families too! Below are the meal prices.

	Elementary School	Middle School	High School
Breakfast	\$1.95	\$1.95	\$1.95
Lunch	\$2.80	\$3.05	\$3.05
Milk	\$0.55	\$0.55	\$0.55

SendMoneyToSchool.com is a great tool to monitor your student's meal account activity, deposit funds online and view the account balance. If you would like to receive emails alerts when your student's account falls below the minimum balance, contact the Food Service Office to have this service set up.

Meal applications can be submitted prior to the beginning of school by stopping by any of the building offices or by submitting an application online at www.LunchApp.com. Applications can take up to 10 days for processing. For fastest approval, utilize our online portal at www.LunchApp.com.

We look forward to welcoming your children to the cafeteria this fall. To find out more about Hanover-Horton School's healthy school meals, contact Alan Breneman, Director of Food Services, at 517.990.3603.

Thank you!

TRANSPORTATION PROCEDURES

If you have any questions regarding the transportation schedules, please call Mr. Logan Beckwith at 517-867-6409. Transportation staff members will be present at the elementary ABC Night on August 20th. This list of bus routes is intended to give you a general idea of when a bus will arrive, and is NOT a complete list. Please refer to the nearest address for your bus stop. Students should be at their stop 15 minutes early for the first two weeks of school. Our goal is to transport our students in the safest, most efficient manner possible. We appreciate the help we receive from parents in keeping our children safe.

REMINDER: STUDENTS ARE ONLY PERMITTED TO RIDE THEIR ASSIGNED BUS!!!
