

Hanover-Horton Elementary School student, Allison Dorian, received a grant for from the Kellogg Foundation Youth Advisory Committee Endowment Fund through Jackson Community Foundation for a “Canvas Art Experience”.

In March of 2020, Allison Dorian, currently a first-grader at Hanover-Horton Elementary School, received a \$200 grant from the Kellogg Foundation Youth Advisory Committee Endowment Fund at the Jackson Community Foundation. The grant was awarded so that students in Allison's Kindergarten classroom last spring could experience a “Canvas Art Experience.” However, COVID delayed the project and required some creative adjustments. As a result, HHES Fine Arts teacher, Mrs. Kelli Arbuckle, used the “Canvas Art Experience” grant to teach all Kindergarten and First Grade students various aspects of painting on canvases.

The Jackson Community Foundation is dedicated to their mission: *We connect people and resources to causes that strengthen and build our community. For Jackson. For good. Forever.* To learn more about the Foundation or how to establish an endowment in your name, go to www.jacksoncf.org.
