Denise M. Bergstrom, Principal

February 04, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Hanover-Horton Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Denise Bergstrom for assistance.

The AER is available for you to review electronically by visiting the following web site <https://bit.ly/3ooXGol> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

Each year we strive to meet the needs of our students. Based on the data in our AER we have identified Reading as an area in need of our attention. A reading goal has been established through our School Improvement process. All teachers will focus on using reading strategies in their classroom. Additionally, we will continue to try to help our students increase their achievement levels in math. All teachers will have students using, constructing and analyzing graphs in their classrooms.

State law requires that we also report additional information:

- Students entering Hanover-Horton Middle School are placed in the age appropriate grade.
- The school improvement plan for Hanover-Horton Middle School has goals for the content areas of Math, Science, Reading and Writing.
- A variety of learning options for qualifying students with special education needs are located at all levels. This program provides services for those who are learning disabled, cognitively impaired, physically or otherwise health impaired, emotionally impaired, hearing impaired, visually impaired or autistic impaired. Some of these services may be provided off site at a center-based program.
- Hanover-Horton Middle School uses the Common Core State Standards as the foundation for the Core Curriculum. These standards may be obtained from the MDE website.

PSAT Spring 2019	PSAT Spring 2021
Mean Score: 876	Mean Score: 787
Mean ERW Score: 449	Mean ERW Score: 415
Mean Math Score: 426	Mean Math Score: 372

- NUMBER and PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES:
2019-2020
6th grade – 46 students (48%)
7th grade – 43 students (58%)
8th grade – 43 students (47%)
- 2020-2021 - Due to COVID we were unable to hold Parent-Teacher Conferences in person. Teachers generated progress reports for all students scoring below 70% with comments about the students’ performance and these reports were mailed to parents.

We are proud of our students’ achievements. The hard work on the part of our teachers, administration, parents and students is evident. We make a pledge to continue to work hard for the citizens of our community to ensure that our students achieve at the highest level possible.

Sincerely,

Denise M. Bergstrom
